### Home Group updates during COVID-19

Please tell us, in paragraph format, the experience of your Home Group during COVID-19. It is definitely an integral part of A.A.'s history for future generations to know what their elders did in times of strife. We will add to your Home Group's information. Something for future A.A. members to read about.

We would like to know during these unprecedented times in A.A.:

- How did your Home Group conduct your meetings?
- How many newcomers joined your home-group?
- On an average, how many people attended each meeting?
- Was your meeting outside face to face?
- What precautions did you take?
- Were you zoom bombed?
- How did you handle that?
- How did you handle anonymity?
- How did your group handle your 7<sup>th</sup> Tradition?
- Did the group make contributions – Venmo, SEPIA website, or not at all?
- Did you leave it up to the individual members to contribute themselves.

Would any of your newcomers be willing to write a short story about their experience getting sober via online meetings?

Please send your updates and stories to [archivesdirector@aasepia.org](mailto:archivesdirector@aasepia.org).
