Chairperson's Report from the month of April 2022

The highlight of the month, of course, was the Round Up, held in person for the first time in two years, over the weekend of April 8th to April 10th at the Grand Hotel, in Cape May, NJ.

What a fantastic event! Can't begin to explain how great it was to see, and touch, people again. I love virtual meetings, but a virtual hug doesn't come anywhere close to a "real" hug. As Marvin and Tammi sang, "Ain't Nothing Like the Real Thing".

Special thanks to so, so many folks for making the Round Up a success - our Vice Chairperson, Rachel C.; Round Up Director, Cindy R.; the Special Events Committee; the Steering Committee; Glenn S.; Roland "Mr. Coffee" J.; Fred S.; and our very own logistics driver, Timski; and others too numerous to mention.

I would be remiss if I didn't mention, too, the tireless work of our Office Staff – new manager, Fran G; past manager Elaine J; Kevin B; Kris H; Suzan W; and Tammi H. What a bang-up job!

Special shout outs, too, to the many, many peeps that gave of their time volunteering in a variety of positions to make the weekend a roaring success.

Last, but certainly not least, kudos to the members that came to support the Round Up – could not have done it without you.

I attended the following Committee Meetings:

- Website/Tech on April 6th.
- Archives on April 12th.
- Special Events on April 25th.

Chaired the Steering Committee Meeting on April 6th from the SEPIA office. Special shoutout to Rich M., Archives Director, for continuing to make this hybrid meeting a reality.

Attended the Philadelphia County Zone (PCZ) meeting on April 11th via telephone, though I planned to attend it in person. Sorry to report that my GPS relapsed, pleased to report it went for treatment and is on its way to recovery.

Again, thank all of you that continue to give of yourselves to make this Fellowship awesome.

In Love and Service,

Larry A.

Chairperson

Vice-Chairperson's Report from the month of April 2022

This month I attended the Steering Committee, Bucks County Zone, Treatments and Unity meetings as well as chairing the Special Events Committee.

SEPIA's 55th ANNUAL ROUND-UP occurred live and in person from April 8-10 in Cape May, NJ! It was a fantastic event and everyone there really enjoyed the weekend! I appreciate all of the hard work of my Director Cindy, the Special Events Committee (SEC), office staff and many others who volunteered and supported the weekend.

The full report of the Special Events meeting held on April 25 may be found below.

Rachel C.

SEPIA Office Report for the month of April 2022

Round Up was a great success - Thanks to all of you for your help. While we got started late this year, we still had over 1,000 people attend and made tentatively \$22,791. Weather was beautiful and a good time was had by all according to the comment sheets that were received.

Part Time Staff Assistant position now available!

We have posted in the Interview that we are looking to hire another staff worker at the office. If you know of anyone who would like to work at SEPIA, please have them send in their resume to manager@aasepia.org. Details of the qualifications are in the interviews and on the website

Volunteers & Visitors - We have been getting more visitors to the office with the help of the new sign! Several new volunteers have started to come in to help with small jobs that need to be done.

Printed Directories - coming soon!

We have had a zoom tutorial regarding printing our own directories like the Baltimore Group does. They print their own and are willing to help us do the same. Need to get group information corrected.

Noontime A.A. Meeting is starting up again in May!

Treasurer's/Finance Committee Report from Thursday, April 21, 2022

Meeting opened with Serenity Prayer at 7:00 pm; Attendance: Gary T. (Treasurer), Jim B. (Asst Treasurer), Stephanie W. (Montco Alt. Liaison), Mike O. (Chesco Liaison), Donna S. (Montco Liaison), Alex V. (Delco Liaison), Larry A. (Chair, Steering Committee), Sam H.

I. Open with Serenity Prayer

II. Read and discussed Tradition 6 and Concept 6

III. Reviewed Income Statement (P&L) and Balance Sheet

. Balance Sheet: Discussion regarding Accounts Receivable offset <\$8,273.55> and Accounts Payable offset <\$216.42>. Jim to research and report findings at the May meeting

A. Income Statement (P&L): Cost of Goods Sold appears to be significantly low (\$22,860), as compared to revenue for the month (\$53,364). The group had a general discussion about making changes to income reporting, to more accurately reflect the financial activity of the period being reported. The group considered the following actions:

0. Meet with Fran to determine how inventory is relieved when a sale is posted in QuickBooks
1. Work with Special Events to produce income statements for major fund-raisers (Round Up, Gratitude Breakfasts, etc.)
2. Produce income statements with year over year reporting

B. Special Events (Round Up): Larry A. reported the event was a big success. Total Registrants = 1095, which is down significantly from the last in-person event, but considered quite strong, given the effects of the COVID 19 pandemic.

0. Financial reporting for the event is not yet complete. "Square" was used for registration and merchandise sales; the SEPIA office has not completed reconciliation of the charges/transactions.
1. Literature Sales appeared to be very strong
2. Apparel sold out; the office will process a reorder for members who were not able to buy the item of their choice

IV. Old Business

. Edits to the Financial Guidelines (approved on 2021 by the Steering Committee): Gary submitted proposed revisions to the text to clarify areas that appeared vague to some members of the fellowship. No changes to the spirit or specific details of the Guidelines are involved. The group held robust discussion, and it was decided that no action would be taken at this time. Larry A. recommended members of the Finance Committee visit other 12-Step committee meetings and explain to them the funds that are budgeted and available to them.

A. SEPIA Sign: Following the March Meeting, the sign vendor was to remedy the issue of installing the sign in a different location than what was specified in their proposal. Jim B. reported that our landlord, Billy M., met with the sign vendor and he chose to leave the sign where it is. The landlord will arrange to repair the holes that are currently exposed on the building exterior, as a result of the sign location. SEPIA agreed to participate in the expense to make the repairs. The sign vendor was paid in full for their work.

V. New Business:

- . Discussion to create an email group for members of the Finance Committee. Sam H. will handle it.
 - A. Gary announced that his family is moving out of the area and will step down after the May meeting. Larry asked Jim B. to complete Gary's term on an interim basis, and he accepted. The group thanked Gary for his leadership and dedication. Jim announced the need to nominate someone to fill the Assistant Treasurer position (which Larry must approve). Members of the committee were encouraged to reach out to Jim with interest.
- Meeting closed at 8:30 pm (by unanimous consent); Next meeting 5/19/22 at 7:00 pm via Zoom
respectfully submitted by Jim B., 4/4/2022

Archives Committee Report from Tuesday, April 12, 2022

The committee met on Tuesday, April 12th at 7pm on Zoom and in person on Saturday, April 16th at 9am in the SEPIA Office at 1903 South Broad Street in Philadelphia.

Present on Tuesday, April 12th: Jerry McT: Archivist, Rich M: Archives Director, Larry A: Chairperson, Howard S: Delco Zone Liaison, Randy L: Bucks Zone Liaison, Spencer G: Philly Zone Liaison, Rachel C: Vice-Chairperson, Anne Marie S-G: member, Erik B: member, Mike W: member, Mark P: member.

Tradition 6 and Concept 6 were read and discussed.

The committee read and discussed pages 28 – 30 in the Archives Workbook.

The Bucks, Delco and Philly Liaisons gave their reports. Members volunteered for the Archives Room commitments down at the Round Up that was held on April 8 – 10 at the Grand Hotel in Cape May. The two movie presentations were well attended. Fifteen members shared at the Longtimers Panel held on Saturday afternoon at 3pm. The Round Up was a great success. There was some discussion regarding updating and revising the "History of AA in Philadelphia" DVD. This was tabled for further discussion in next month's meeting. Also, the Archives Committee is considering a motion to the Steering Committee to allow the Archives Committee to take the committee's laptop out of the office when making presentations at AA group functions, DVD showings, etc. Currently this is not allowed. Also, the Archives Committee is considering purchasing a new scanner, the current scanner is over 10 years old and might not be compatible with the Committee's new computer.

Saturday Preservation Work: The Archives Committee met on Saturday, April 16th at 9am in the SEPIA Office at 1903 South Broad Street in South Philly. Present were Jerry McT, Rich M, Howard S (Delco Zone liaison), Debi W (Chester Zone liaison, Mike W (new Montco Zone liaison) and Don S(member). No Longtimers were recorded.

Encourage Attendees to fill out this form:

- https://docs.google.com/forms/d/1HB8mLECWLEeknMkwngx8tlzsm0Yxl4y4xkG3X-E1_VM/viewform?edit_requested=true
 - Introductions (name, homegroup, eligibility, did you complete the form?) *post form link in chat
 - Call on someone to explain what the CPC is/ what volunteers do and what newcomers can expect to do next
 - Students coming in April (35 Drexel medical students) and (73 Physician Assistant Students)
 - Spread the word that CPC needs support!
 - Notes from Lori Cannon from March
 - Asks that volunteers please refrain from asking students for their phone numbers. This issue is two-fold...it makes tracking correspondence difficult (liability for Drexel) and can hinder communication with all parties that need to be copied
 - We will be going forward with the Reply All suggestion from the initial student assignments I send out each month. Now we are involved with 3 different college/schools and each has their own preference on exactly who should be included in emails
 - Drexel PA Students - The recommended readings will be posted on Blackboard so no need to attach anything to emails
 - Their program liaison has opted out of being CC'd on emails so only Mike and myself need to be copied.
 - Escort Guide:
<https://docs.google.com/document/d/1MVKleEvtrjAJib8G8far64OEIzhf7UH5YWhmUvJu zAA/edit#> - please review
 - Pre-Conference Sharing Session attended by Mike and I on March 19 in West Chester
 - We could use volunteers at the Round Up to help man the booth. If you will be there and can pitch in send an email or write in the chat
 - All 34 Drexel Med students from March were chaperoned to AA meetings
 - Cochran Library
Resource <https://www.cochranlibrary.com/cdsr/doi/10.1002/14651858.CD012880.pub2/full>
 - Giving your Dr your phone number is CPC service
- Questions:
- Jacquie - What questions can doctors ask patients to help determine if there's a problem with alcohol?
 - <https://auditscreen.org/>

o 20 questions pamphlet

Notes from form submissions:

Look for other ways to reach professionals in addition to taking students to meetings. Contact emergency rooms in hospitals and let them know how they can get in contact with AA if they meet people who might be alcoholic. Create an app for professionals similar to what they did in AZ <https://area03azcpc.glideapp.io/> Hold a workshop about CPC and bring someone involved with General Service such as a Delegate, Trustee or GSO Staff member. Make a form for AA members to take to their doctors to let them know about AA.

A discussion of what the pre-meeting session should include.

Prison Committee Report from Thursday, April 7, 2022

The online SEPIA Prison Committee Meeting took place on 4/7/22 at 6pm. A total of twelve members were present including all prison zone liaisons.

Members continued to explore methods to support the five-county outreach to inmates in their facilities.

Participation in the temporary pen pal project is ongoing and we are grateful to prison committee members and zone liaisons for their outreach. Grapevine articles continue to be mailed to various facilities for inmates. Groups continue to donate Big Books, Twelve and Twelves and other AA literature to be forwarded to facilities.

There continues to be communication among members and prison contacts on status of their facilities.

Online meetings continue to be brought in weekly to Bucks County men's and women's facility.

Philadelphia is in process of clearing/renewing volunteers for reopening.

SCI Chester and Phoenix are preparing a schedule to bring volunteers back in.

Delaware County will resume one weekly meeting in May on Mondays for men's and women's facility.

The Prison Committee would like to thank all the committees and members who were able to make this year's Round Up a success. All the time and service so many contributed is truly "Gratitude in Action". We are also grateful to all who expressed interest in joining this committee and being a part of the temporary pen pal project. We look forward to meeting new members and getting new ideas at the 5/5/22 at 6pm online prison committee meeting.

Unfinished Business:

- We sent letters to Magistrate Courts in Chester (18), Delaware (25), Bucks (17), and Montgomery (31) counties (91 total mailings). Philadelphia seems to have a different court system, revisit later.

- Introductory cover letter, “If You Are a Professional”, “Brief Guide To AA”, PI Flyer, and Rack Card made up the contents.

- Google Ads/Grants
 - Steve S talked to Caroline N, Delegate of Area 59, Eastern PA, about a workshop. She is willing to attend. She put us in contact with an AAWS employee who works in the Communications and Services Department. She is willing to attend a workshop after the middle of May.
- Suggestions for locations for future literature racks
 - Possibly take literature to train stations (150 SEPTA). Home groups could take responsibility for stations. Have people from the Zones go to the Stations and decide what works best instead of a “one size fits all”. – Would there be room for a literature rack?
 - Jeremy sent a letter with literature to 19 probation offices.
 - Helping Unite Sick, Shut-in, Hospitalized and Home-bound (HUSSHH) – This is part of Interphones – possibly let retirement communities know about this

 - Here is an article that talks about how people read web pages
<https://www.nngroup.com/articles/how-users-read-on-the-web/>
- Zone Liaisons have a SEPIA Email address and have access to our Google Drive. Talked about using it on our committee. These Emails can be forwarded to personal Emails. We can also use these accounts for on-line meetings using Google Meet. Can we get Emails for alternate liaisons?
- Zoom bombing – Emma’s meeting was having trouble with this. They put in strict protocols. Limit chat to host only.

New Business:

- Choose a day for a Public Information workshop that focuses on Google Ads. Julie (Senior Digital Communications Analyst at our General Service Office) has agreed attend and talk about Google Ads and answer questions. Make a list of questions that we would like to have answered about Google Ads or other communications issues. Possible dates could be June 11 or 25. We could also make it a weekday if more convenient for Julie.
- Huma has requested that SEPIA come out and make a presentation about HUSSHH.

- Sam – Possibly redo our website as a customizable AA Designed WordPress site to include a built-in WooCommerce store for \$5,000 – does builder of website own any part of it? Sam says no.

Delaware Co. –

The Delco zone will be meeting in person at St Rose of Lima in Eddystone in May. Fitzgerald Mercy psych ward meeting has resumed. Now at 17 commitments in 3 facilities.

Mont. Co. Almost entirely open, though trying to drop Meadowview House. 2 new meetings in Hatfield, 1 men's / 1 womens.

Philadelphia - 176 active commitments for April. A new meeting at a North 19th Street homeless shelter was voted on and approved. All commitments have been filled. Zone is almost entirely in-person.

Old business - None. This meeting was a hybrid, resulting from March's vote. Rich M handled I.T. duties expertly.

New Business –

Pierre opened a discussion of BTG by sharing his experience and success in Chester County. He offered that another zone would be welcome to follow their model. Pierre and Bobette related how Chester County has initiated BTG presentations at RCA In Devon. A broad ranging discussion ensued, detailing the organizational challenges in the zones and the ineffective communications with Area. Many ideas were presented. Refine our IGR lists and make this an IGR responsibility (Dave K). We have no master list of volunteers, and need liaisons in each zone (Victoria). Many intergroups are not responsive (outside the SEPIA region), which complicates making this an intergroup responsibility. Coordinating with Area for candidates outside our reach was discussed. Many spoke, all were heard. No resolutions were reached. No motions were made. The discussion was tabled.

We closed with The Serenity Prayer, at 7:58 pm.

We opened with the Serenity Prayer at 5:30 PM.

Unfinished Business/Follow Up:

- New computers have arrived at SEPIA – Jim said Sam was in office two weeks ago. He thinks he installed the software. Roundup and tax filing are taking priority. Kevin – new computers are not working. Might have to send one computer back to Dell.
- Decision has been made to “pause” building out web site optimization in favor of making sure our office has the proper tools and the like to operate effectively. – Postponed
- Addressing the needs of first-time visitors to our web site. Here are some samples of other web sites:

Tim said the number one request from people is to put meeting list on first page of the website. Code for Recovery Team is trying to make this format for other web sites to use. People do not read on the web. Need to appeal to various levels of tech savviness. There is too much bold. Use short sentences and not have too much reading. He referenced the following article <https://www.nngroup.com/articles/how-users-read-on-the-web>
Jim said we should experiment. Could we make the “Get Help” more prominent? People who are not in AA will not look for SEPIA.

- Consider moving forward with Google Ad Words “trial” – Postponed
- Kevin B was only able to get one proposal (from Delmarva Group) for doing work to integrate the computers and link Zen Cart with QuickBooks:
 - Network & Endpoint Configuration \$70/hr. for 4-6 hrs.

New Business/General Discussion

- Discussion about website

 - Jeremy – ask people at Zones to update meetings.
 - Kevin – need to put more events on a single page. The events take a long time to enter.
 - Tim – the form gets Emailed to manager, admin and Kevin
 - Kevin – need new group form from GSO with number. Access will not accept new the GSO numbers that were created when they changed their computer system in the past couple of years.
 - Larry – Group should have a number to be listed
 - Kevin – SEPIA makes new groups wait 6 months before listing them
 - Steve N – not all meetings are groups.
 - Tim updated the meeting status page to address some of the concerns

Concepts & Traditions

Tradition 6: “An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.”

Concept 6: “On behalf of A.A. as a whole, our General Service Conference has the principal responsibility for the maintenance of our world services, and it traditionally has the final decision respecting large matters of general policy and finance. But the Conference also recognizes that the chief initiative and the active responsibility in most of these matters should be exercised primarily by the Trustee members of the Conference when they act among themselves as the General Service Board of Alcoholics Anonymous.”

Philadelphia County Zone Report from Monday, April 11, 2022

Open with the serenity prayer

Dave read Tradition 6

Vincent read Concept 6

Steve discussed on concept: we need act like a business we need to be organized at some level

Glenn Zone coordinator report- new sign installed at the Sepia office. It looks good, bringing in people and volunteers. SEPIA would also like to get the meeting started again on Fridays at noon. We got a chairperson for the first Friday in May. SEPIA address: 1903 broad St Phila. Sepia office needs phone volunteers (must have 1-year sobriety). With the new office manager, we need assistance to answer the calls.

Visitors from steering committee:

Alfreda Assist Director of Inter Phones: 2 shifts need to be filled. Answer phones after office is closed. Two opening on Sunday 9am-1pm and two holiday openings 9-1pm (anytime a holiday comes up).

“Hush”- helping unite sick and shut in, house bound and hospitalized. Need volunteers because people have moved. We need help all over from Bucks Co. to Coatesville, you name it. We need support! See me after the meeting. If someone sick or suffering needs a meeting, we bring it to them or take them to one. Interphone next meeting April 27, 7pm by zoom. Go to sepia calendar look up interphone. We will train you and we don't use your number (calls are forwarded).

Steve Schmidt Public information: we meet 3rd Wednesday on zoom (go to Sepia calendar). Quote from Bill W. 1965 convention.

Google, business page- pics of home groups and because of analytics involved, “google thinks” it's a good idea to send people to our website. Submit Group name, meeting time, day group meets any information that would help them. Helps them see what AA and meeting spaces look like.

Public information works in your area: go to different facilities and ask them to post these flyers or drop off literature. During pandemic we sent and emailed these but if you post in areas people will see it to guide the newcomer to AA. Rack cards can also be downloaded from the website, QR code that guides a smart phone user to a meeting list. We find this helpful because there isn't a written directory right now.

Please keep your meeting information up to date on our site. Its meetings are closed, and we don't want to people to go and no one be there.

Larry A- Chairperson: Thank you Glenn for all your work at the Round Up. I'm still on a high from the past weekend. Thank you, to all the reps who participated this weekend in the 5 counties! The Philadelphia metropolitan area is alive and well!!! Approx. 1100 people attended over the weekend. Round Up Hoodies sold out! There might be some medium left. They were gathering a list and considering placing another order. Contact Rachel (vice chair of special events) vicechairperson@aasepia.org if you would like to try to purchase and item.
